

# "The Coolest Dude"

[ **Luka, Luka** ], the coolest dude  
[ **Luka, Luka** ], what I love about you is:

[ **The way you say "you and me forever"**  
**How you sneak into mom and dad's bed and**  
**How you pick flowers just for us**  
**You taught your mama's heart to love** ]

[ **Luka, Luka** ], the coolest dude  
[ **Luka, Luka** ], what I love about you is:

[ **The joy you get from little things**  
**Like waking up your sister in the morning**  
**Digging in the sand and dandelions**  
**You make my day without even trying** ]

[ **Luka, Luka** ], the coolest dude  
[ **Luka, Luka** ], what I love about you is:

I love seeing the world through your [ **hazel** ] eyes  
How [ **excavators** ] make you smile  
And how [ **playing guitar** ] lights up your face  
Let's go to [ **the beach** ], your happy place

[ **Luka, Luka** ], the coolest dude  
[ **Luka, Luka** ], there's no one quite like you
